Experience

Senior UX Designer

CCC Group
December 2021 – present

CCC is the largest footwear manufacturer in Europe. I'm responsible for core features (web and apps) and innovation design. My scope includes UX, UI, research and creating business strategies with key stakeholders.

Associate Professor

Academy of Fine Arts in Krakow
October 2021 – present

I run an Interaction Design Lab for art students. We teach about Product Design, UX and UI in the digital world.

User Experience Lead

DataFeedWatch
October 2020 – December 2022

Building a UX department in a startup. Leading a team of three (UX writer, visual designer, researcher). Creating product roadmaps and strategies.

UX Designer

DataFeedWatch
January 2019 – December 2022

Designing a feed marketing app. I took care of all stages of the design process, including research. Working closely with both front-end and back-end developers.
